Plaintiff,

v.

**CHIEF JAILER OLIVIA PEARCE,
et al.,**

Defendants.

Case No.: 2:07-CV-919-MHT

DEFENDANTS' ANSWER AND SPECIAL REPORT

COME NOW, the defendants in the above-styled cause, Chief Jailer Olivia M. Pearson (incorrectly identified as Olivia Pearce) and Deputy Willie Cope, separately and severally, and in response to this Court's Order of October 31, 2007 and December 20, 2007, files this Answer and Special Report and avers the following separately and severally:

1. These defendants assert to this Honorable Court that they have undertaken a review of the subject matter of the plaintiff's Complaint and have ascertained relevant facts and circumstances relating to said Complaint.

2. These defendants further assert that no action is necessary by jail officials to resolve the subject matter of the plaintiff's Complaint since the plaintiff is no longer incarcerated in the Pike County Jail.

3. These defendants are presently unaware of any similar complaints filed by the plaintiff in this Court which should be taken into consideration in resolving this Complaint.

PARTIES

4. The plaintiff, James S. Senn, #253389, upon information and belief, is presently an inmate of the Bullock County Correctional Facility in Union Springs, Alabama. Senn was incarcerated in the Pike County Jail from May 23, 2007 until July 13, 2007 at which time he was released to Kilby Correctional Facility. The plaintiff has not been incarcerated since that time in the Pike County Jail. At the time of his incarceration in the Pike County Jail, he was a convicted prisoner arrested on a probation warrant issued on May 15, 2007 and entered into the NCIC for Nationwide extradition. Senn's charges included at the time of his arrest, possession of a controlled substance (methamphetamines), possession of controlled substance (cocaine), theft of property third degree, and escape third degree.

5. Defendant Olivia Pearson was at all times material to the allegations contained in the plaintiff's Complaint the Jail Administrator for the Pike County Sheriff's Department and continues to be employed in that capacity.

6. Defendant Willie Cope at all times material to the allegations contained in the plaintiff's Complaint a Deputy Sheriff for the Pike County Sheriff's Department and continues to be employed in that capacity.

PLAINTIFF'S CLAIMS

7. The defendants have received plaintiff's original Complaint and plaintiff's addendum to his Complaint, both filed October 12, 2007. Plaintiff's original Complaint alleges that the violation for which he complains occurred from May 24, 2007 through June 14, 2007. Plaintiff Senn alleges that defendant Pearson failed to provide proper medication to him. Plaintiff alleges that on the date of his arrest, he informed the jail that

he was a diabetic and that he needed specific medication for his chronic illnesses. Plaintiff further alleges that on or about June 14, 2007, the plaintiff became ill due to a lack of proper medication or his medication was denied to him by the defendants. The plaintiff alleges that Cope acted singularly or in concert with other defendants to violate the plaintiff's rights.

8. The plaintiff also filed an addendum to plaintiff's "42 U.S.C. §1983 Complaint Form". Interestingly, the addendum lists as plaintiff "Ian Redford". This "form" Complaint alleges that the plaintiff was subject to cruel and unusual punishment by the denial of medical attention and care. The plaintiff alleges in this addendum that the Chief Jailer and her agents not only denied plaintiff's medication necessary to treat his diabetes, but also denied plaintiff medical treatment for several days, even when the plaintiff became very sick and was dying. The plaintiff alleges that the defendants failed to authorize proper medical attention to plaintiff even though he was treated by paramedics. The plaintiff alleges that he should have been allowed to go to the emergency room to be treated, but was not allowed to do so. The plaintiff alleges that the defendant Cope refused to allow the plaintiff to get proper medical attention and refused to allow the plaintiff to be transferred to the emergency room to be treated. The plaintiff alleges that defendant Cope put plaintiff in a very dangerous situation "that could have easily cost the plaintiff his life."

Plaintiff alleges generally that defendants violated his 8th and 14th Amendment rights under the Constitution and demands an award of damages.

DEFENDANT'S RESPONSE

9. These defendants deny all of the material allegations contained in the plaintiff's Complaint and deny that the plaintiff is entitled to relief.

10. The plaintiff's Complaint alleges general and conclusory allegations against these defendants which do not arise to a constitutional violation. Therefore, the plaintiff's Complaint and each Count thereof fails to state a claim upon which relief may be granted and is due to be dismissed.

11. These defendants deny that the plaintiff was denied medical attention or that they were deliberately indifferent to his serious medical needs.

12. These defendants deny that they were deliberately indifferent to the plaintiff's Constitutional rights.

13. These defendants aver that they are entitled to absolute immunity.

14. These defendants aver they are entitled to qualified immunity on the basis that their actions were taken in good faith and pursuant to their discretionary authority.

15. These defendants aver that they were acting within the line and scope of their discretionary authority at the time of the alleged unconstitutional conduct complained of by the plaintiff and are protected by state agent immunity.

16. These defendants aver that the plaintiff's claims are not sufficient to support a claim under the 4th, 5th, 6th, 8th or 14th Amendments to the Constitution.

17. These defendants aver they are absolutely immune from liability pursuant to the 11th Amendment.

18. These defendants aver that the plaintiff has failed to state a claim for relief on the basis that there is no showing of physical injury to the plaintiff pursuant to 42 U.S.C.(a)§1997(e), et seq.

19. These defendants aver that the plaintiff's allegations herein are frivolous and malicious and fail to state a claim upon which relief may be granted and/or seek monetary relief from the defendants who are immune from such relief pursuant to 42 U.S.C.(a), §1997(e), et seq.

20. The plaintiff's Complaint, and each cause of action stated therein, is barred by the Prison Litigation Reform Act.

21. These defendants deny that the plaintiff faced a substantial risk of serious harm and/or that they disregarded the alleged risk by failing to take reasonable measures to abate it.

22. These defendants deny that the plaintiff's allegations of inadequate medical treatment state a violation of the 8th or 14th Amendments.

23. These defendants aver that the plaintiff's allegations require proof of an affirmative causal connection between the actions allegedly taken by these defendants and the alleged Constitutional deprivation.

24. These defendants aver that this plaintiff has failed to come forward with any facts or materials that would be admissible into evidence, demonstrating the existence of a causal connection between any of these defendants and the allegations contained in the plaintiff's Complaint.

25. These defendants aver that they cannot be held liable in an action brought pursuant to 42 U.S.C. §1983 under a theory of respondeat superior, or on the basis of vicarious liability.

26. These defendants deny that they knew of or disregarded an excessive risk to the plaintiff's health or safety while he was incarcerated in the Pike County Jail.

27. These defendants aver that the plaintiff's Complaint fails to set forth sufficient facts to state a claim against these defendants for deliberate indifference.

STATEMENT OF FACTS

After the plaintiff Senn was originally arrested and placed in the deputy's patrol car to be transported to the Pike County Jail, Senn removed himself from the patrol car and escaped, but was later apprehended (Exhibit 1).

Upon Senn's admission to the Pike County Jail, a Pike County Jail Admission Form was filled out and signed by the plaintiff James Senn certifying that the information was true and correct regarding his health screening (Exhibit 3). On the Health Screening Form, there is specifically listed a place for the inmate to indicate whether he has diabetes. Inmate Senn never indicated to the Jail Intake Officer that he had been treated for or had diabetes. Again, this form was signed by the plaintiff James Senn and acknowledged by the Jail Intake Officer (Exhibit 3). In addition, Paragraph 6 of the Inmate Screening Form asked the following question: "Do you have any other medical or mental problem we should know about?" The plaintiff's response was "no." (Exhibit 3). Paragraph 4 of that same intake form asks: "Are you currently taking any prescription medication?". Inmate Senn's response was "no". (Exhibit 3).

From the date of his admission on May 23, 2007 until June 10, 2007, inmate Senn never complained of any problems; made known to the jailers that he was experiencing any medical problems; or, requested medication. (Exhibit 10; Exhibit 11). Inmate Senn never requested or filled out a Pike County Jail Request Form. (Exhibit 7).

On Sunday, June 10, 2007, at approximately 10:58 p.m., a jailer with the Pike County Sheriff's Department became aware that inmate Senn was possibly sick. The

jailer called Care Ambulance service and an on-duty deputy sheriff. Deputy Willie Cope was the sheriff on duty at that time and responded to the call. (Exhibit 2; Exhibit 8). Inmate Senn was checked by paramedics with Care Ambulance, and they advised the jail staff and Deputy Cope on more than one occasion that his vitals were okay. (Exhibits 1, 2 and 8).

Based on the fact that plaintiff Senn's vitals were okay, on the fact that Senn was a high escape risk, and based on Cope's observations of Senn which lead him to believe that his complaints were not legitimate, Senn was placed back in the jail cell and monitored every 30 minutes until the next morning. (Exhibits 1, 2, 8, and 9). Senn never told ambulance paramedics or Cope about him being a diabetic or needing medical attention for diabetes. (Exhibit 2). Throughout the night, Senn was monitored on an individual log without any further problems. He was given some pain medicine and he advised jail officials that he was okay. (Exhibit 9).

The next morning on June 11, 2007, Senn asked to see Jail Administrator Olivia Pearson. Senn requested that he be made a trustee and that request was denied. (Exhibit 1). On June 11, 2007, Senn's mother brought medication to the jail which was then administered to Senn on a regular basis until the time he was discharged. (Exhibits 11 and 12). Other than the incident on June 10, 2007, Senn had no other medical problems nor required any other medical attention.

WHEREFORE, THESE PREMISES CONSIDERED, these defendants, separately and severally, aver that the undisputed evidentiary materials submitted demonstrate that these defendants were not deliberately indifferent to the plaintiff's serious medical needs, that the defendants did not consciously disregard a substantial risk

to his health by denying him adequate medical treatment. Estelle v. Gamble, 429 U.S. 97 (1976); Taylor v. Adams, 221 F.3d 1254 (11th Cir.2000); Waldrop v. Evans, 871 F.2d 1030 (11th Cir.1989); Harris v. Thigpen, 941 F.2d 1495 (11th Cir.1991); Hamm v. Dekalb County, 774 F.2d 1567 (11th Cir.1985); Farmer v. Brennan, 511 U.S. 825 (1984).

Therefore, the defendants submit this Answer and written report in accordance with this Court's Order and requests this Court enter an Order in favor of these defendants, separately and severally, dismissing the plaintiff's claims against them.

Respectfully submitted this 17th day of January, 2008.

IN THE UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF ALABAMA
NORTHERN DIVISION

JAMES S. SENN, #253389

Plaintiff,

vs.

CHIEF JAILER OLIVIA PEARCE,
et al.,

Defendants.

Case No.: 2:07-CV-919-MHT

STATE OF ALABAMA

COUNTY OF PIKE

AFFIDAVIT OF OLIVIA M. PEARSON

Before me, the undersigned authority, a Notary Public in and for said state and county, personally appeared Olivia M. Pearson, and after being duly sworn, under oath, deposes and says the following:

"My name is Olivia M. Pearson, and I am an adult resident of Pike County, Alabama, and I have personal knowledge of the facts set forth in this affidavit.

"This is with reference to Inmate James Stephen Senn. James Senn was arrested May 23, 2007 by the Pike County Sheriff's Department on a probation warrant issued May 14, 2007, and entered into NCIC for nationwide extradition.

"Senn's charges included, at the time of his arrest, possession of controlled substances, Methamphetamine, cocaine, theft of property third degree and escape third degree.

"After James S. Senn was arrested and placed in the deputy's patrol car to be

transported to the County jail,, Senn removed himself from the patrol car and escaped. Senn was apprehended a short time later and then transported to the jail.

"Upon James S. Senn's admission into the jail, h is admission form was filled out completely. He was screened for medical and any other problems that he may have had, signed by Senn and the booking jailer.

"There was never any medical problems with Senn upon h is intake. No problems as his signature indicates. Until June 10, 2007, his alleged problems were never known to us. On that date, June 10, 2007, James S. Senn alleged that he fell out during his incarceration in Pike County jail.

"At this time, he was checked by attendants from Care Ambulance Service. The attendants advised jail staff on duty that James Senn's vital signs were okay. Our staff placed Senn back in the cell and monitored him throughout the night, as his individual log indicates "no problems."

"James Senn's allegations are false. He was never denied medical attention.

"Senn spoke with me on early morning of June 11, 2007. He told me that he had fallen out the past night, but was better. He advised that he thought he would make a good Trustee. I replied that we don't let inmates out when they fall out like he did. He said "well, I got some medication that I can get." I asked him who was his doctor and when had he been to a doctor. Senn explained that I don't need to do anything but call someone to bring my medication. I then asked him what drug store and we would take care of it. He said "I'll get my medication." He got his medication on the same day, June 11, 2007. His mother brought medicine to Senn on June 11th for the first time during his incarceration.

He later asked me after he got his medication if I would give him a chance as a Trustee. I then told him no, that anyone with an escape charge cannot be on Trustee status.

"During James S. Senn's incarceration at Pike County jail from May 23, 2007 through July 13, 2007, he was never denied medical treatment and there was only the one episode that was noticeable, and it was taken care of properly. There was never any request for anything verbally or formally while Senn was incarcerated in the Pike County jail.

"James S. Senn, with his extensive arrest record, has made false allegations against me, Olivia M. Pearson, and other staff officers at Pike County Jail.

"James S. Senn was a high risk inmate and was looking for a quick way out of jail.

"The above information is true and correct to the best of my knowledge and belief."

AFFIDAVIT OF WILLIE R. COPE

Before me, the undersigned authority, a Notary Public in and for said state and county, personally appeared Willie R. Cope, and after being duly sworn, under oath, deposes and says the following:

"My name is Willie R. Cope, and I am an adult resident of Pike County, Alabama, and I have personal knowledge of the facts set forth in this affidavit.

"On Sunday, June 10, 2007, at approximately 11:00 p.m., jailer Andrea Degernett call me, Deputy Willie Cope, and advised me that an inmate by the name of James Senn was in the cell and that he was not responding. I advised her that I would be en route also.

"When I arrived, Care Ambulance was already there. I walked back to the cell and had the jailer unlock the door. The inmates picked Mr. Senn up and brought him outside the cell and placed him on the floor. One of the Care Ambulance technicians, Mrs. Tina Hammond, started to check his vital signs. One of the Care workers asked him to sit up

and to pull his sleeve up. I noticed that Mr. Senn responded quickly. She checked his blood pressure and it was okay. She also checked his sugar, his pulse and his eyes for dilates. I asked her if all of his vital signs were okay and she replied that they were, but would need to transport him to the hospital to have him checked out further. I advised her that they could not transport him and that the only way that he could to was with a deputy because he was a high escape risk. She acted as if she was angry with me and stated that she knew Mr. Senn. I then advised the inmate to take Senn back into the cell.

"The Care Ambulance worker started questioning me about my authority. I told them that they did their job and let me do mine. Mrs. Hammond advised me to go get Senn some peanut butter crackers. I told her that the jail does not have any crackers and that they needed to leave.

"I asked the jailers to keep a check on Mr. Senn. Approximately thirty minutes later, I called back and talked with one of the jailers and they stated that Mr. Senn was up walking around and acting as if nothing had happened.

"Senn never told the ambulance attendants or me that he was a diabetic. There was never a risk of serious medical harm to Senn at any time.

"The above information is true and correct to the best of my knowledge and belief."

Andrea Degenett, Thiles

Station KEG-891

TIME	TO UNITS	FROM UNITS	MESSAGES
	C/J	550	On Sunday June 10, 2007 @ approx.
	C/J	550	1058p. An inmate known to me,
	C/J	550	jailer Andrea Degenett, as James
	C/J	550	Senn became sick. When I walked
	C/J	550	to the back Senn was laying back.
	C/J	550	With his feet propped up, not responding
	C/J	550	to his name, and inmates crowded
	C/J	550	around him.
	C/J	550	I informed him that Care ambulance
	C/J	550	had been called & were en route, along
	C/J	550	with a deputy. When the ambulance
	C/J	550	workers got to the jail they went
	C/J	550	to the back to check Senn's vital signs.
	C/J	550	They immediately wanted to know why
	C/J	550	I couldn't open the door for him. I informed
	C/J	550	them that he was a high escape risk, and
	C/J	550	it's not our policy to open cell doors w/o a deputy.
	C/J	550	When Pike Co. Sheriff's deputy Willie
	C/J	550	Cope (5505) got to the CJ he advised
	C/J	550	that we could open the door. Once I opened
	C/J	550	the door other inmates helped him out
	C/J	550	of the jail cell and paramedics checked
	C/J	550	his vitals.
	C/J	550	After checking his vitals the paramedics adv.
	C/J	550	that his blood pressure, heart rate, blood
	C/J	550	sugar, and other vitals are okay. They said
	C/J	550	they wanted to transport him to the
	C/J	550	hospital. She then said that he could
	C/J	550	have a very serious virus that's going on.
	C/J	550	She then recommended that he be
	C/J	550	separated from other inmates.

	C/J	550	Deputy Cope adv. her that Senn
	C/J	550	was a high escape risk and he
	C/J	550	could only be transported by
	C/J	550	a deputy if there was a problem
	C/J	550	w/ his vitals.
	C/J	550	A male paramedic then said,
	C/J	550	why are you calling us out if you're
	C/J	550	not to let us do our job. We could
	C/J	550	be out here all night back & forward
	C/J	550	Deputy Cope then asked if they
	C/J	550	had checked his vitals and if they
	C/J	550	were okay they again adv. that they
	C/J	550	were okay.
	C/J	550	Deputy Cope adv. that if he can
	C/J	550	hold out until morning he'd make
	C/J	550	sure Senn got to the doctor. The
	C/J	550	Female paramedic adv. that it
	C/J	550	could've been Senn's diabetes and
	C/J	550	he needed some peanut butter.
	C/J	550	She then told deputy Cope to
	C/J	550	go buy some peanut butter
	C/J	550	crackers from the store. She then
	C/J	550	adv. that she could go to the
	C/J	550	store to buy the crackers if she
	C/J	550	had to.
	C/J	550	They then said they could not 100%
	C/J	550	say Senn was okay. So Deputy
	C/J	550	Cope asked them if they could adv.
	C/J	550	his vitals were okay, they said
	C/J	550	that they were okay. They
	C/J	550	said they wanted to transport him.
